PROBABLE CAUSE STATEMENT

I, Special Agent Robert Sanchez, declare under penalty of perjury, the following is true and correct:

On October 6, 2007 at approximately 00:30 hours, Deon EASON made entry into the United States via the San Ysidro, CA, Port of Entry as the driver of a 1998 Mitsubishi Montero bearing CAUS/5TBU970. EASON encountered a U.S. Customs Border Protection (CBP) Officer in the primary inspection area. EASON informed the Officer he was going to Temecula, CA and gave two negative Customs declarations. During a cursory inspection of the vehicle the Officer tapped one of the tires and it appeared solid. The Officer escorted the vehicle to the secondary inspection area.

In the Secondary Inspection, Officers discovered packages concealed within all four tires and the spare. One package was probed, which produced a green leafy substance that field tested positive for marijuana. A total of 30 packages were removed from all four tires plus the spare, which had a net weight of 79.85 kilograms.

U.S. Immigration and Customs Enforcement (ICE) Special Agents read EASON his Miranda Rights. EASON stated he understood his Rights but was not willing to answer questions. No interview was conducted.

EASON was arrested and transported to the Metropolitan Correctional Center, San Diego, CA.

Executed on October 6, 2007
